

Dear Boone Community partner-

We need your help!

We are working with YMCA of the USA to conduct a **community needs assessment** and would like your input. In order to design services that are community focused, the Y would like to hear from the Boone County community and we have agreed to pass this along to you as someone who shares our passion. Based on this community needs assessment, the Y, in partnerships with others, will design and deliver new programs and services that address critical issues in the areas of youth development, healthy living, and social responsibility.

[THIS LINK](#) will take you to a short on-line survey. Responses are not individually tracked and are kept confidential. The assessment should take no more than 5 minutes to complete and the results will be compiled into an executive summary that will be shared with our community partners. PLEASE feel free to share this with your staff and your contacts- we value the feedback from a diverse cross section of our community and many hands make light work!

Should you have any question in the meantime, please contact me [402-305-9686](tel:402-305-9686) or Vicki Greco at [515-432-5925](tel:515-432-5925) or by email at vicki.greco@dmymca.org.

Thank you for all your work and dedication to the people of Boone County!
