PARK SURVEY

Boone has wonderful parks, full of places to have fun as a family, enjoy nature, explore, or simply cool off on a hot day. As beautiful as Boone's parks are, they also come with challenges and opportunities to address as we look toward the future. The Boone Park Commission is working to create a forward-thinking Park Plan including an assessment of existing park amenities and creating a vision for the future of Boone's parks. The commission is asking community members to take the park survey and provide valuable feedback about how residents and visitors use the parks, what needs the parks have, and what are our community's dreams for the future of Boone's parks. This input will help guide a Park Plan for our future.
