

ADDRESSING THE NEEDS OF CITIZENS WITHIN THE
CORPORATE LIMITS OF BOONE.

The city of Boone has made a dedication to its citizens: Provide a greater level of information and education while maintaining financial stability. We hope this newsletter will help our citizens become more aware of city government activity.

Your Government Boone

The Boone City Parks Commissioners would like input from the city of Boone residents about the possibility of additions to the Boone Pool. There have been discussions about the community's interest in these additions. If any additions were to be considered, a bond issue would have to be passed at the next general election.
