

SNOW REMOVAL BID

NOTE: Bids will be for the 2021-2022 Winter Season

The selected snow removal service (s) will be removing snow and ice from sidewalks that are in violation of the City of Boone municipal Code 136. Sidewalks will have snow and ice accumulations that have not been cleared following a snow event.

Commercial sidewalks need to have snow removed 24 hours following a snow event, while in residential areas snow must be removed 48 hours following a snow event.

The service will need to be able to remove snow and ice accumulations within 24 hours of receiving the address of a commercial property that is in violation and 48 hours of receiving the address of a residential property that is in violation. A certificate of liability insurance meeting City requirements will be required.

The snow removal service will be required to handle all repairs to snow removal equipment.
