“Nights on the Green” is Back Again May 5

The first of this year’s six “Nights on the Green” in downtown Boone is fast approaching.

“We are really excited to kick off the 2023 ‘Nights on the Green’ season. There will be some new and exciting things happening this year, including the Fall Fest happening on October 6,” said Kris Blocker, executive director of the Boone County Convention & Visitors Bureau. “There really is something for everyone to enjoy.”

Blocker noted that last year’s series of events attracted more than 3,000 people to the Greenspace at Eighth and Story Streets. This year’s events, which will all be held on Friday evenings, will have a different theme each month, including kids’ activities, live music, food trucks and drinks.

The dates for this year’s events are May 5, June 2, July 7, Aug. 11, Sept. 1 and Oct. 6 from 5:00 p.m. to 9:00 p.m.

Admission is free of charge.

This will be the second year for “Nights on the Green.”
