**Boone Arts Board & The City of Boone
Presents
The Boone Community Christmas Celebration**

Boone, Iowa – The Boone Arts Board, in conjunction with the City of Boone announces that Boone’s 2nd Annual Community Christmas Celebration will take place on Thursday, November 30th in downtown Boone with events beginning at 4:00 PM thru 8:00 PM. At 4:30 P.M. the Celebration kicks off with the Community Christmas Show in the City Hall Auditorium. Master of Ceremonies, Jim Turbes and the Boone Community Choir will take Boone families and guests through a fun-filled musical journey with a surprise guest appearance at the end of each show. There will be a second show at 7:00 pm giving everyone a chance to enjoy all of the activities of the evening.

The Christmas Lighted Parade begins at 6:00 P.M. moving from 6th and Story Street up to 9th Street. The lighting of the Christmas Tree Ceremony commences in the Greenspace immediately following the parade. The Ceremony features carolers from Boone County and surrounding communities together with some very extraordinary guests. This spectacular event will be a musical, magical journey of why the tradition of lighting the tree is so popular throughout the world. The finale has a special surprise, too!

Free Hot Chocolate will be distributed by the Salvation Army starting at 4:30 pm at the Greenspace, and they will be accepting new toys for their Toy Drive at City Hall (main floor) from (4:00-8:00) along with the Boone County Historical Society’s Soup Supper (4:30-7:30 pm).

Santa will be available for visits and photos at Boone’s City Hall following both shows from 5:00-6:00 PM and 7:00 – 8:00 PM.
