

PUBLIC WORKS NOTICE

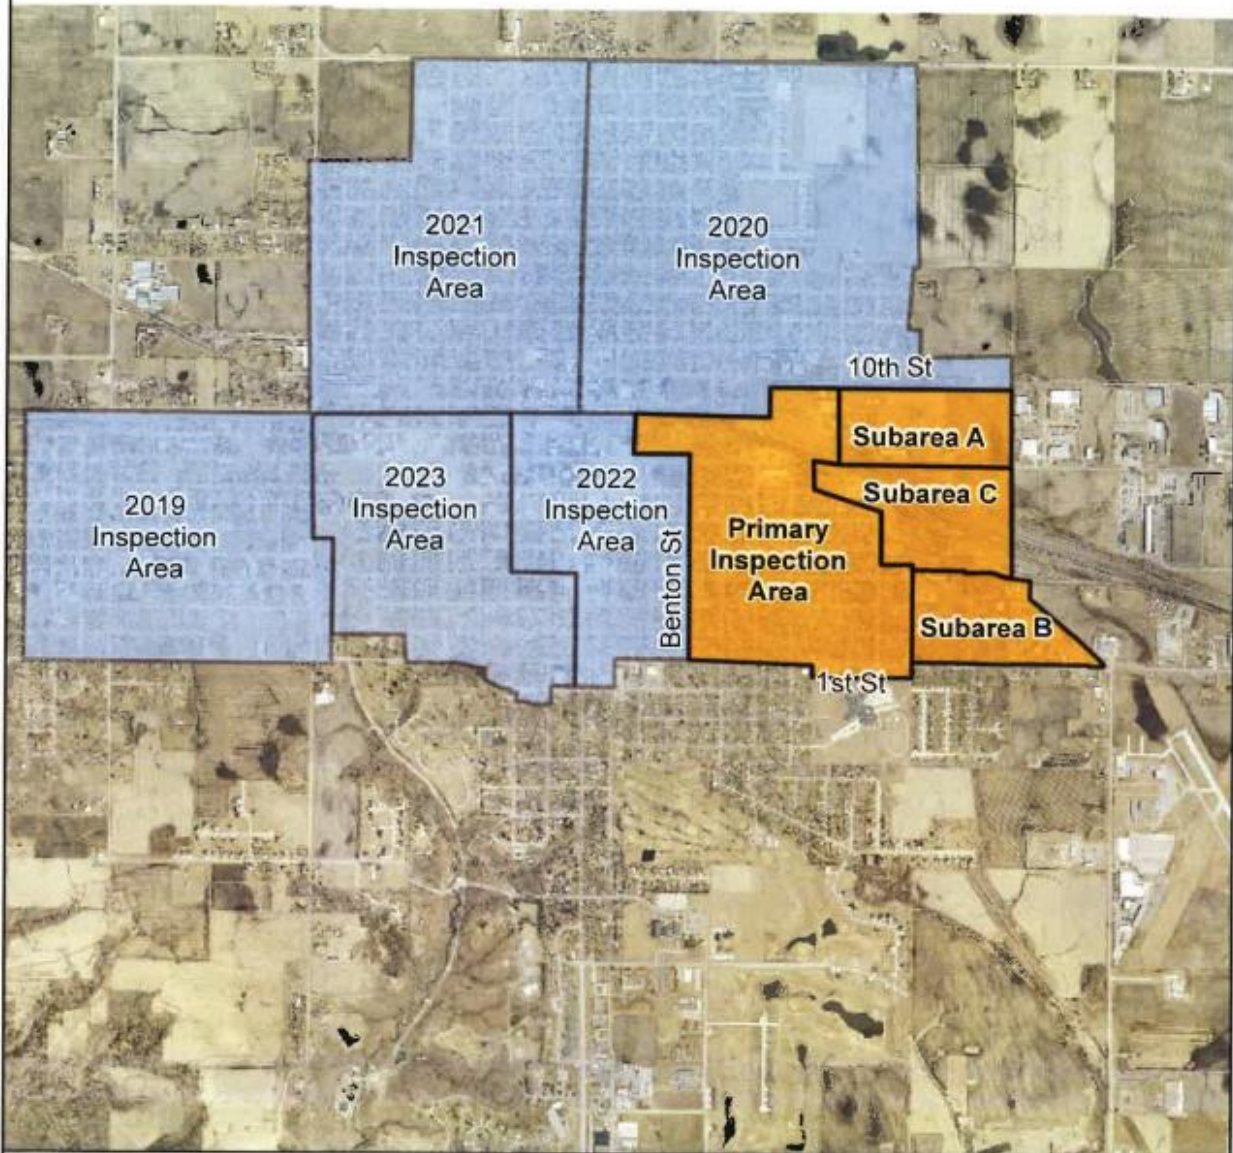

City of Boone 2024 Sump Inspection Program Public Information Meeting

The City of Boone will be conducting mandatory sump pump inspections to verify sump pumps, roof drains, and other clear water sources are not connected to the sanitary sewer system. This year (2024) is the sixth year of the program, and it includes the east central portion of the city. Over 2,850 homes have been inspected in the other areas of the city since the program began in 2019. Other areas of the city will be inspected over the next couple of years. The engineering firm, WHKS & Co., is coordinating this program and will serve as project consultant.

Public Informational Meeting: The city will host a public informational meeting on Tuesday, July 9, 2024, at 5:00 pm at Boone City Hall 2nd floor auditorium to discuss the scheduling of inspections, length of inspection, proper sump pump connection and other miscellaneous items. The meeting will be broadcast. Please access the broadcast via www.zoom.us, Meeting ID: 895 5523 0784 and Passcode: 864881.

Please see the attached map to identify the inspection area for 2024.

City of Boone 2024 Sump Inspection Program
