STATEMENT OF COUNCIL PROCEEDINGS

January 20, 2025 6:00 p.m.

The City Council of Boone, Iowa, met in regular session in the City Hall Council Chambers on January 20, 2025, at 6:00 p.m. with Mayor Stines presiding. The meeting was also available via Zoom. The following Council Members were present: Byrd, Henson, Kahookele, Moorman, Hilsabeck, and Angstrom. Absent: Williamson.

Angstrom moved; Byrd seconded to approve the agenda as presented. Ayes: Henson, Kahookele, Moorman, Hilsabeck, Angstrom, and Byrd. Nays: none.

Samuel Conlin, Boone Community School District student, delivered a presentation to revitalize the old low water crossings, including options such as a paved or unpaved bike trail or a one-way car accessible road. Conlin explained the benefits, economic activity, community benefits, and funding. Conlin also previously presented it to the Park Commission.

Brian Horn, Director with Ames Regional Economic Alliance, highlighted the 4th Quarter economic activities within the Community: several housing projects were awarded Workforce Housing Tax Credits from the Iowa Economic Development Authority bringing in a combined 179 new housing units, the Boone Area Veterans Center Kick Off recognized their partners and launched the official fundraising campaign, and the Discovery Channel Show "RV There Yet?" will air on April 19, 2025, showcasing their visit to Boone County.

Gjersvik advised that Daisy Brands will not be able to equalize their peak discharge flow to below 2,100 gpm, and in light of this information, a revised report to the Iowa Department of Natural Resources (IDNR) takes into consideration the sizing of the proposed pump station and force main, as well as any improvements necessary, such as the replacement of the existing gravity sewers that are not of adequate diameter to transport additional flow. Gjersvik presented three (3) options for routing the new force main for the Daisy Project and the associated costs with each:

- 1. Route the new force main to the existing termination point on Five Mile Drive north of Moffitt's Ford Dealership. This option results in the smallest length of the new force main but has several negative impacts. The Opinion of Probable Costs for this option is \$5,103,920.00.
- 2. Route the new force main from the Daisy Brands site to Kate Shelly Drive. This option results in a longer force main but with less gravity sewer replacement. The Opinion of Probable Costs is \$4,962,080.00
- 3. Route the new force main from the Daisy Brands site to the Wastewater Treatment Facility. This option results in the largest amount of new force main but does not require replacement of any gravity sewer segments. The Opinion of Probable Costs is \$3,093,160.00.

Henson moved; Kahookele seconded to approve Option 3, route the new force main from the Daisy Brands site to the Wastewater Treatment Facility, with a 16-inch main for an additional \$150,000.00. Ayes: Kahookele, Moorman, Hilsabeck, Angstrom, Byrd, and Henson. Nays: none.

Angstrom moved; Henson seconded to approve Phase 7 of the Sanitary Sewer I/I Inspection Program for the area described as bordered by Story Street on the west, South Jackson Street on the east, 1st Street on the north and Park Avenue. This project comes in under the budget at \$106,000.00. Ayes: Moorman, Hilsabeck, Angstrom, Byrd, Henson, and Kahookele. Nays: none.

Henson moved; Hilsabeck seconded to approve the request from Joseph Littlebear to vacate the N/S alley located between the east lot line of 1216 West 5th Street and the west lot lines of 423 Franklin Street, Boone, Iowa. Ayes: Hilsabeck, Angstrom, Byrd, Henson, Kahookele, and Moorman. Nays: none. The Planning and Zoning Commission also recommended granting the vacation request.

Moorman moved; Henson seconded to approve Resolution 3327 approving fourteen (14) Residential Tax Abatement applications in the amount of \$2,050,537.00 and one (1) Commercial Tax Abatement application in the amount of \$1,300,000.00 to be certified to the Boone County Assessor for 2024. Ayes: Angstrom, Byrd, Henson, Kahookele, Moorman, and Hilsabeck. Nays: none.

Andrews introduced the new Street Department Laborer, Jared Briggs.

Moorman moved; Henson seconded to approve Resolution 3321 authorizing the execution of a Grant Agreement for \$15,000.00 in funding between the City of Boone and the Iowa Department of Natural Resources (IDNR) for the permanent closure and removal of one 10,000 capacity steel clad gasoline tank and one 3,000 capacity steel clad diesel tank located at 1410 8th Street, Boone, Iowa. Ayes: Byrd, Henson, Kahookele, Moorman, Hilsabeck, and Angstrom. Nays: none.

Osmundson advised there will be a Club/Sports Townhall meeting in the Auditorium, Thursday, January 30, 2025 at 6:00 p.m. to discuss challenges and opportunities. Osmundson updated the Council that the City was awarded the Boone County Force Grant and the Fenton Grant that will help as they look at programming.

Adams stated that the Fire Department has three (3) Boone High School students participating in an internship through the Boone Schools Edge Program and that the Iowa Firefighters Association is holding their convention at the Central Iowa Expo site the same week as the Super Nationals and will hold an antique truck parade around town.

Moorman moved; Angstrom seconded to approve the Hotel/Motel, Human Service, and Art Grant Agreement template to be used to define the use of the funds, a timeline in which the funds must be used, requirements of any unused funds to be returned to the City and specifies record keeping requirements and annual reporting including receipts. Ayes: Henson, Kahookele, Moorman, Hilsabeck, Angstrom, and Byrd. Nays: none.

Angstrom moved; Henson seconded to approve Resolution 3322 authorizing the execution of a supplemental Settlement Agreement between the City of Boone and the Boone County Board of Supervisors as Trustees of Drainage District No. 137 to maintain a clear path of drainage through the Open Ditch of Drainage District No. 137 located south of West Mamie Eisenhower Avenue and west of Ringold Street. Ayes: Kahookele, Moorman, Hilsabeck, Angstrom, Byrd, and Henson. Nays: none.

Henson moved; Hilsabeck seconded to approve Resolution 3323 authorizing the execution of an agreement for \$3,025,530.00 in funding between the City of Boone and the Iowa Department of Transportation for a Revitalize Iowa's Sound Economy Program (RISE) Project for the costs for eligible items associated with the construction of approximately 1,700 feet of Hancock Drive. Ayes: Moorman, Hilsabeck, Angstrom, Byrd, Henson, and Kahookele. Nays: none.

Mayor Stines asked if there were any questions or items to be removed from the Consent Agenda; no requests were made.

Ayes: Hilsabeck, Angstrom, Byrd, Henson, Kahookele, and Moorman. Nays: none.
