

Emergency Snow Ordinance

Due to the variance in multiple forecasts for Wednesday, March 5th, 2025, the City of Boone Public Works is issuing an Emergency Snow Ordinance in effect at 2:00 am Wednesday, March 5th for residential areas. Please remove all cars from the roadway. Ticket and tow will be in effect and the ordinance will be lifted once crews have finished. If this snow ordinance is unfounded due to an inaccurate forecast, the ordinance will be lifted at that time.
